Come September most of us are eager to return to campus. After a long and enjoyable summer, we look forward to seeing friends and beginning new and interesting courses.

Autumn in Maine is without a doubt the most beautiful time of the year. The multicolored foliage in the Quad is impressive and breathtaking. Even the busiest of students will stop to gaze at the trees on a bright fall day.

No one said that Maine would be warm in the winter! Although a trip to Chase Hall may seem like an Arctic expedition, an evening ski across the Quad after a snowfall makes a cold night more appealing especially when topped off by hot chocolate from the weekend's dorm breakfast.

While Freshmen may anticipate seven more sets of finals, Seniors are writing theses and contemplating visiting the O.C.C. In addition to the expected challenges brought on by a rigorous academic semester, the Bates student is also tested in various outdoor activities. Who can forget slipping on the ice to check if anyone had noticed?

On first arriving at Bates, one is initially impressed by the friendliness and warmth of fellow students and faculty. Most of our best times have been shared with good friends. Who can forget? . . .

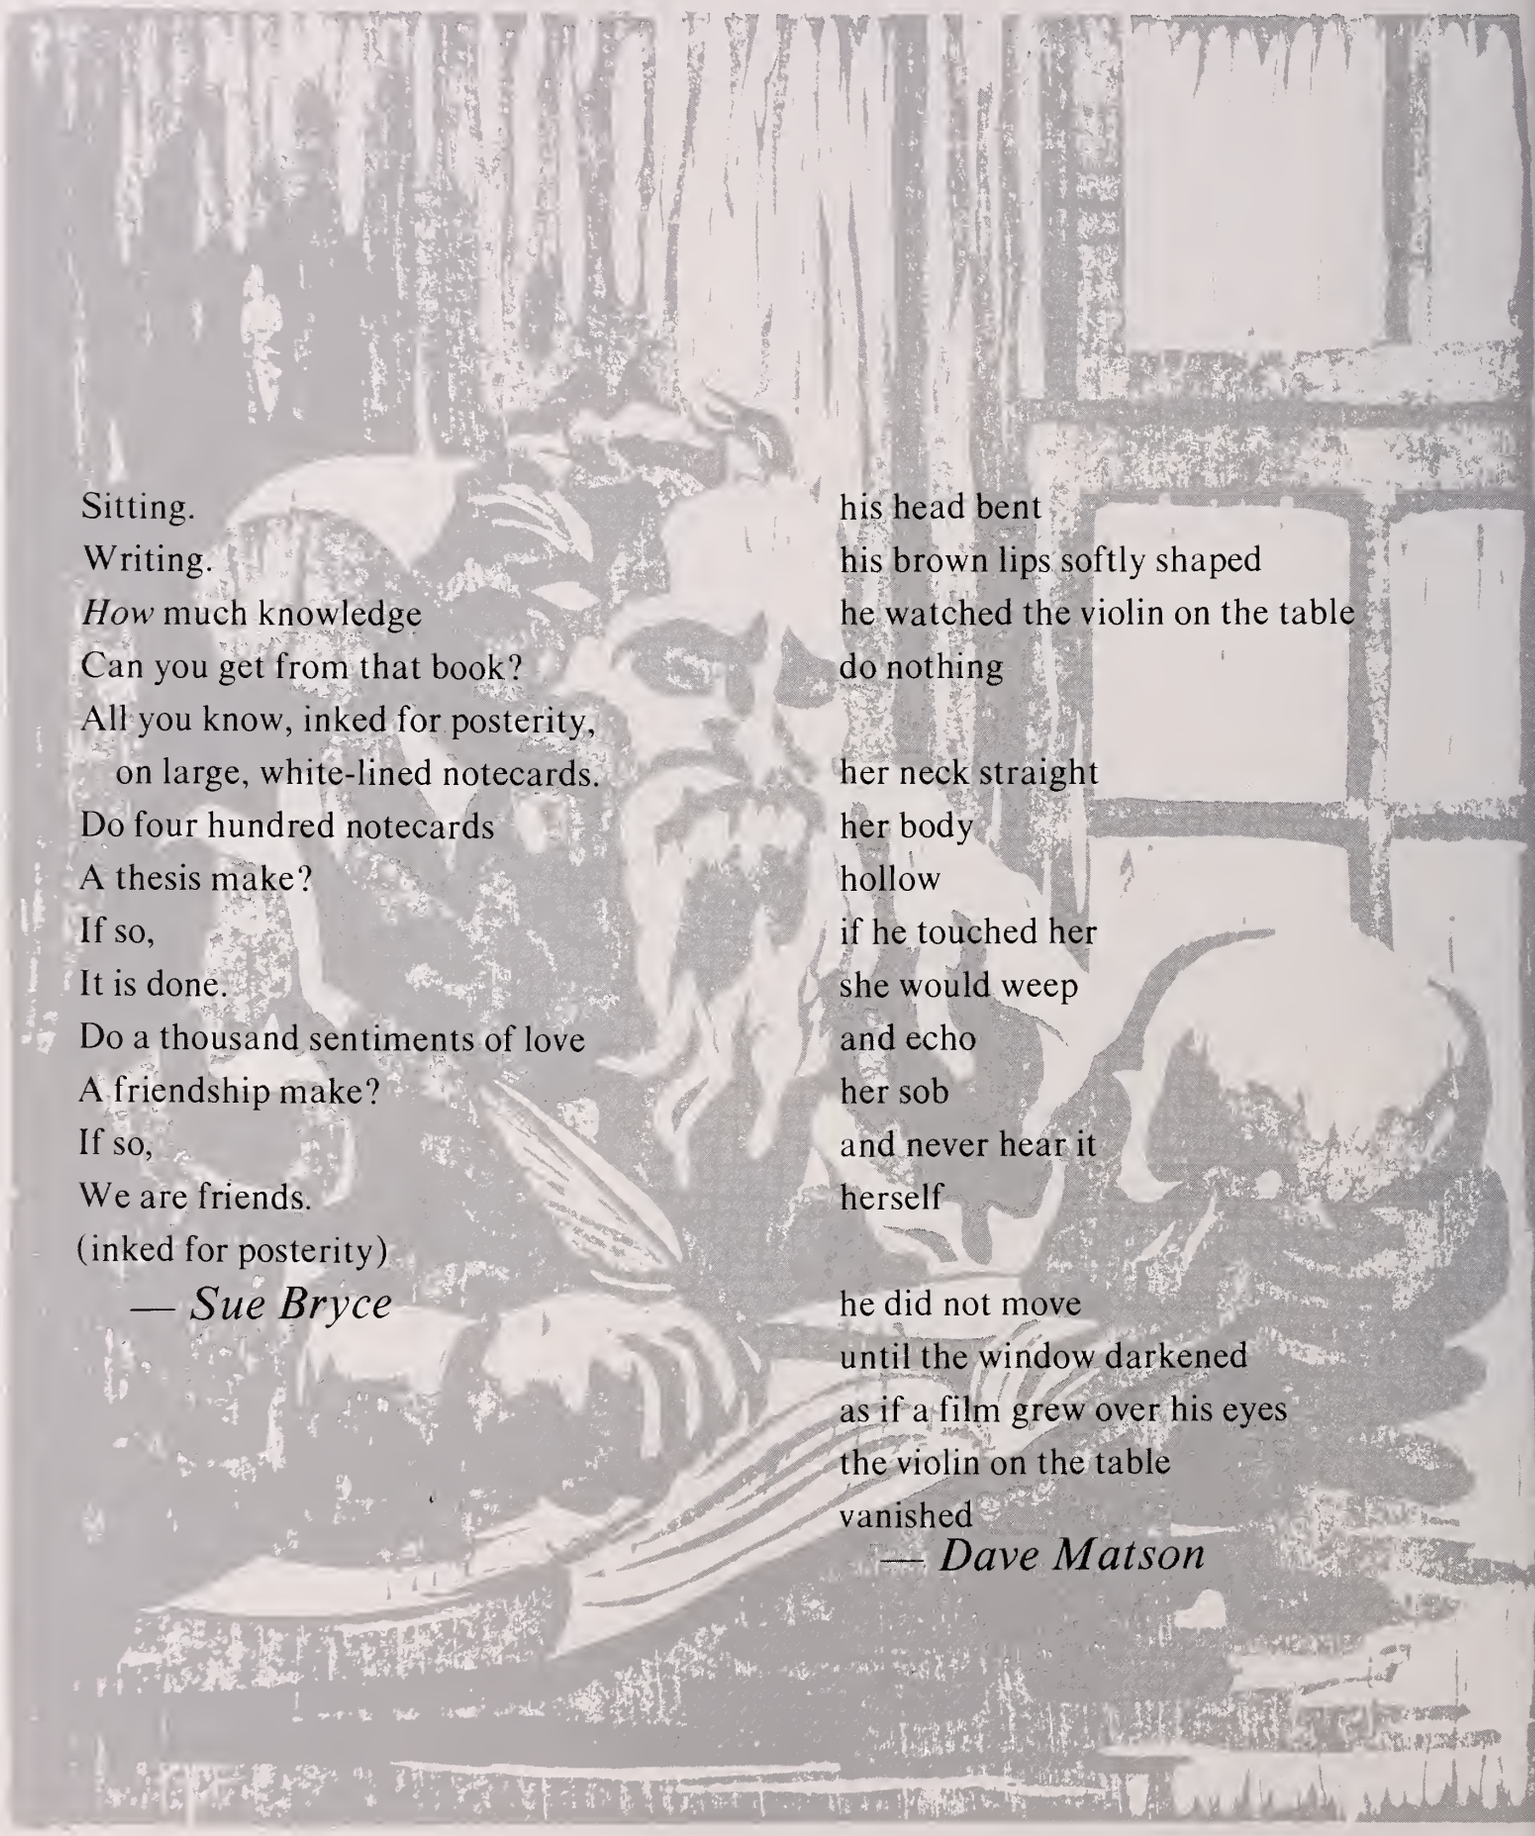
Student Impressions



Sitting.
Writing.
How much knowledge
Can you get from that book?
All you know, inked for posterity,
  on large, white-lined notecards.
Do four hundred notecards
A thesis make?
If so,
It is done.
Do a thousand sentiments of love
A friendship make?
If so,
We are friends.
(inked for posterity)

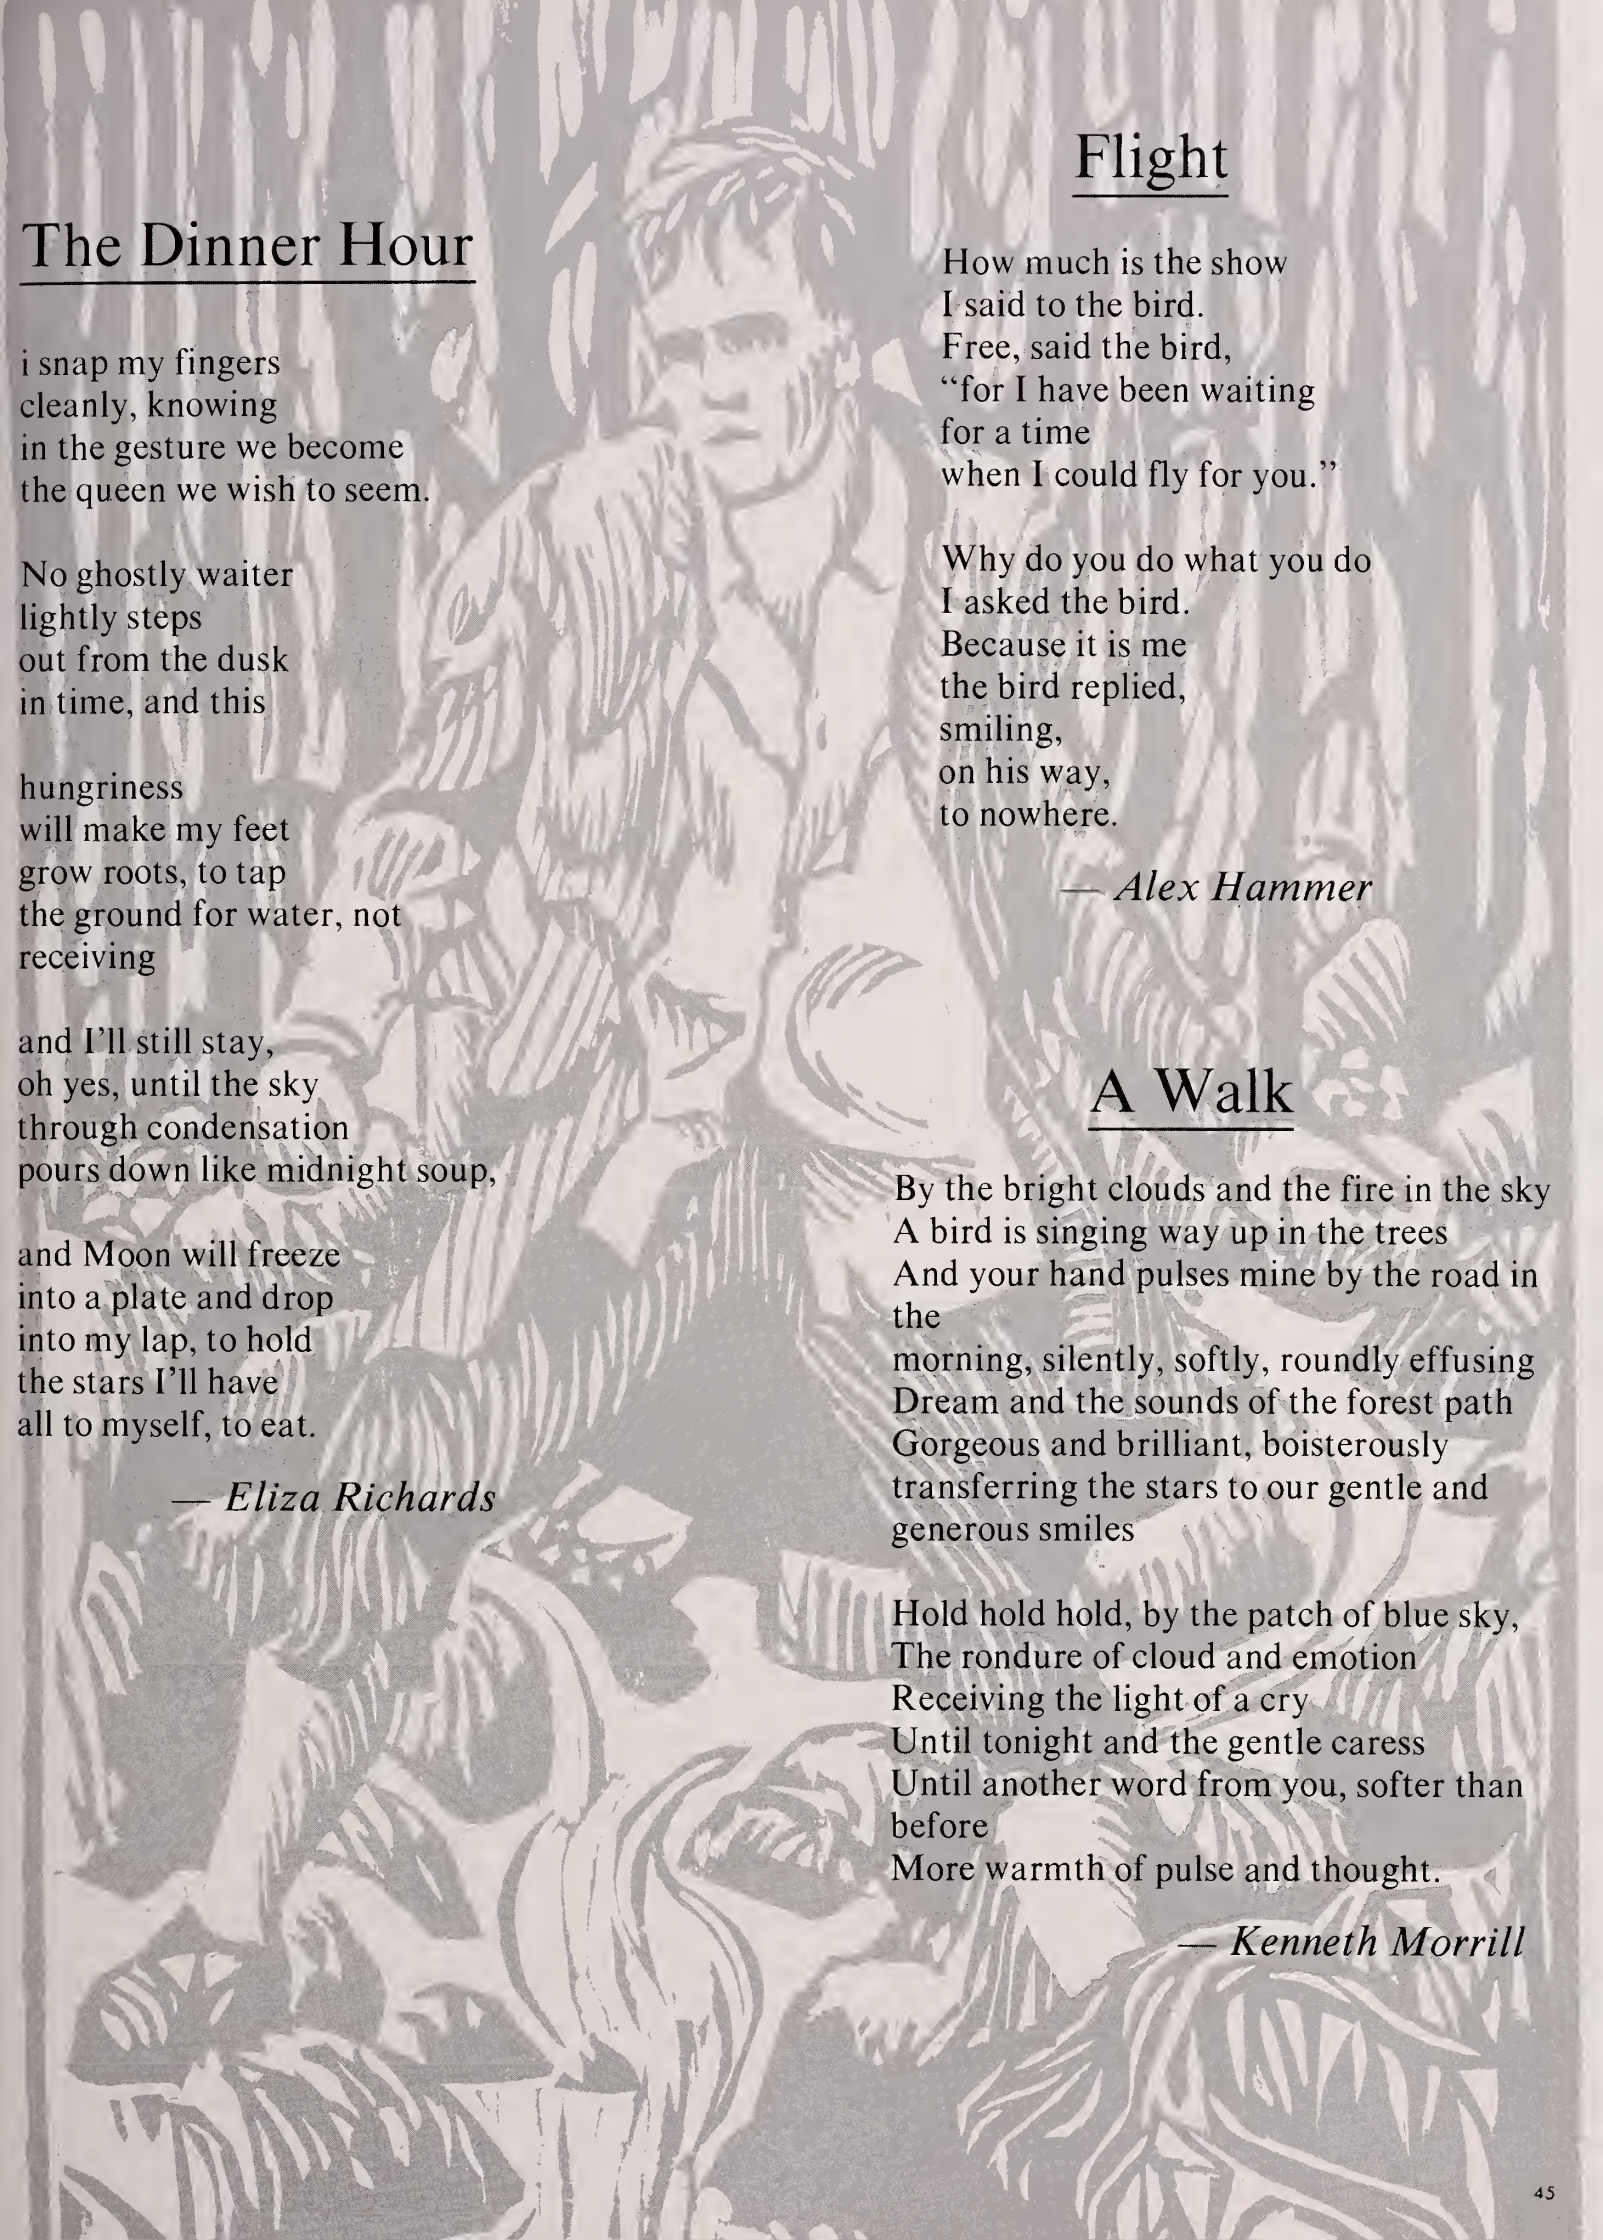
— *Sue Bryce*

his head bent
his brown lips softly shaped
he watched the violin on the table
do nothing

her neck straight
her body
hollow
if he touched her
she would weep
and echo
her sob
and never hear it
herself

he did not move
until the window darkened
as if a film grew over his eyes
the violin on the table
vanished

— *Dave Matson*



The Dinner Hour

i snap my fingers
cleanly, knowing
in the gesture we become
the queen we wish to seem.

No ghostly waiter
lightly steps
out from the dusk
in time, and this

hungriness
will make my feet
grow roots, to tap
the ground for water, not
receiving

and I'll still stay,
oh yes, until the sky
through condensation
pours down like midnight soup,

and Moon will freeze
into a plate and drop
into my lap, to hold
the stars I'll have
all to myself, to eat.

— Eliza Richards

Flight

How much is the show
I said to the bird.
Free, said the bird,
"for I have been waiting
for a time
when I could fly for you."

Why do you do what you do
I asked the bird.
Because it is me
the bird replied,
smiling,
on his way,
to nowhere.

— Alex Hammer

A Walk

By the bright clouds and the fire in the sky
A bird is singing way up in the trees
And your hand pulses mine by the road in the
morning, silently, softly, roundly effusing
Dream and the sounds of the forest path
Gorgeous and brilliant, boisterously
transferring the stars to our gentle and
generous smiles

Hold hold hold, by the patch of blue sky,
The rondure of cloud and emotion
Receiving the light of a cry
Until tonight and the gentle caress
Until another word from you, softer than
before
More warmth of pulse and thought.

— Kenneth Morrill

Thoughts

They are these crazy wildflowers
sprung from black earth
breathing with my fertile lawn-born dreams
dancing in eternal rhythm
by cool water shallows quiet.

NUCLEAR COLLOQUIUM

The Colloquium on Nuclear Weapons and Arms Control was a year long series of events aimed at exploring the nuclear predicament in a non-partisan well-rounded manner. The Colloquium was oriented around a series of six major speakers. Each speaker represented a different viewpoint and had previous experience with issues that were part of the nuclear predicament. Dispersed among the major lectures were other events which used a broad spectrum of media such as painting and informed discussion sections to further explore the nuclear issues.

The planning committee hoped that the Colloquium was informative and exciting. We were thankful for the opportunity to contribute our energies toward giving Bates College and the surrounding community an opportunity for a comprehensive overview and detailed exploration of the nuclear predicament. While ignorance may be bliss with nuclear weapons, it is also folly. As responsible individuals we cannot afford the potential costs of being uninformed. Our thanks to all who made this Colloquium possible!

The 1983 Football squad will be remembered for its spirit and fight. A close knit unit, they practiced with great intensity. Despite a tie and four losses by a touchdown or less, the fighting Bobcats met each week with great enthusiasm. In the Bowdoin game, the team's true talent showed as Bates left Brunswick with a 33-15 victory.

The veteran line included Dan Botsch, Don McDonough, John Raitt, and tailback Charlie Richardson, who became the school's second all-time leading rusher. Blocking for Richardson was tight end captain Dan Miller, the team's leading receiver. Also receiving for the Bobcats were Bill Duffy and Mark Livsey, who performed exceptionally in the Amherst game. Defensively, Bates was led by linebackers Dave Hild and Rico Corsetti. Corsetti was the Northeast's leading tackler. Starting quarterback for the season was Jeff McLucas.

A three-game win streak near the end of the season boosted Bates to its best record ever (7-5) in women's soccer and nearly earned the Bobcats a NIAC tourney bid. The Bobcats were ranked number five in the NIAC. The Bates defense turned in three shutouts and held opponents to one goal in four other matches.

Senior Laury Schwartzberg and freshman Linda Stanley were the offensive-standouts, and freshman Stephanie Smith enjoyed a solid season in goal.

Field Hockey

For the second straight year the Bates field hockey team won the Maine intercollegiate championship, capping yet another strong season for the Bobcats. After three 10 minute overtimes, it ironically took a penalty-stroke shot by Meg Flaherty to clinch the win over Bowdoin (a similar scenario occurred as a loss for Bates last year in a championship match against Tufts). Bates also went to the NIAC Tournament in the third seed position, but lost a strong game to second-seeded Smith 1-0. Statistically the Bobcats excelled over the Unicorns. Nevertheless, Bates ranked eighth in the nation in the final NCAA Division III coaches poll.

The excellent 10-2-3 season was led by Sue Halliday, Carla Fitzgerald and Sue Chick who were named to the all-Maine team. Doing an exceptional job as goalie was Barbara Kim. Great plays by seniors Meg Flaherty, Sue Miller, Sydnee Brown, Fitzgerald and Halliday will be sorely missed next year.

Although a young squad, the Bobcats did well this season earning a trip to the NIAC playoffs at Skidmore College in Saratoga Springs, New York. They also had a fourth place finish in the Maine intercollegiate championships. The season ended with a respectable 10-13 record.

Freshman Emily Gabler was named to the all-Maine team, and classmate Deb Smith gained a berth on the state all-tournament squad. Next year's team will be seeing the return of nine experienced freshmen and sophomores.

Steffani's style is one of steadiness and grace.
She put away 9 of 12 opponents she had to face.
Of Pam it can be said that she has a deep desire
And that she sets high goals to which she will aspire.
To Bates, Virginia brought skill and a good understanding of the game,
All over campus and N.E. spread tales of her fame.
Eileen worked hard to keep the ball deep and out of the alley.
With great determination and effort we congratulate her on a 6-6 tally.
From our first van trip and all that fear of being a ghost,
Kat not only contributed to our team successes, but to our laughs and sense of fun the most.
Jennifer is an athlete dedicated to stay in good condition
And that paid off for her as she played well in the #6 position.
It didn't seem callous of Rachel and Alice
To kill off their opponents with very little malice.
Megan and Heidi, Ashley and Melinda, our doubles teams aces,
With serve, volley, and overhead strength, took the smile from their opponents' faces.
Hard workers each were Laura, Sandra and Bea,
Their play in the first 2 matches were key.
From charting games to support of the team,
Their contribution can surely be seen.
With a winning record of 7-5, we clearly accomplished one of our goals.
All of you should be proud of each of your roles.

Junior Paula Pampani performed well and led the young team as captain. Sophomore guard Lisa Kelley was the leading scorer, and sophomore forward Leslie Lotody the top rebounder for the team. The young team has a lot of strong individuals and with more experience may prove to be a strong contender next year.

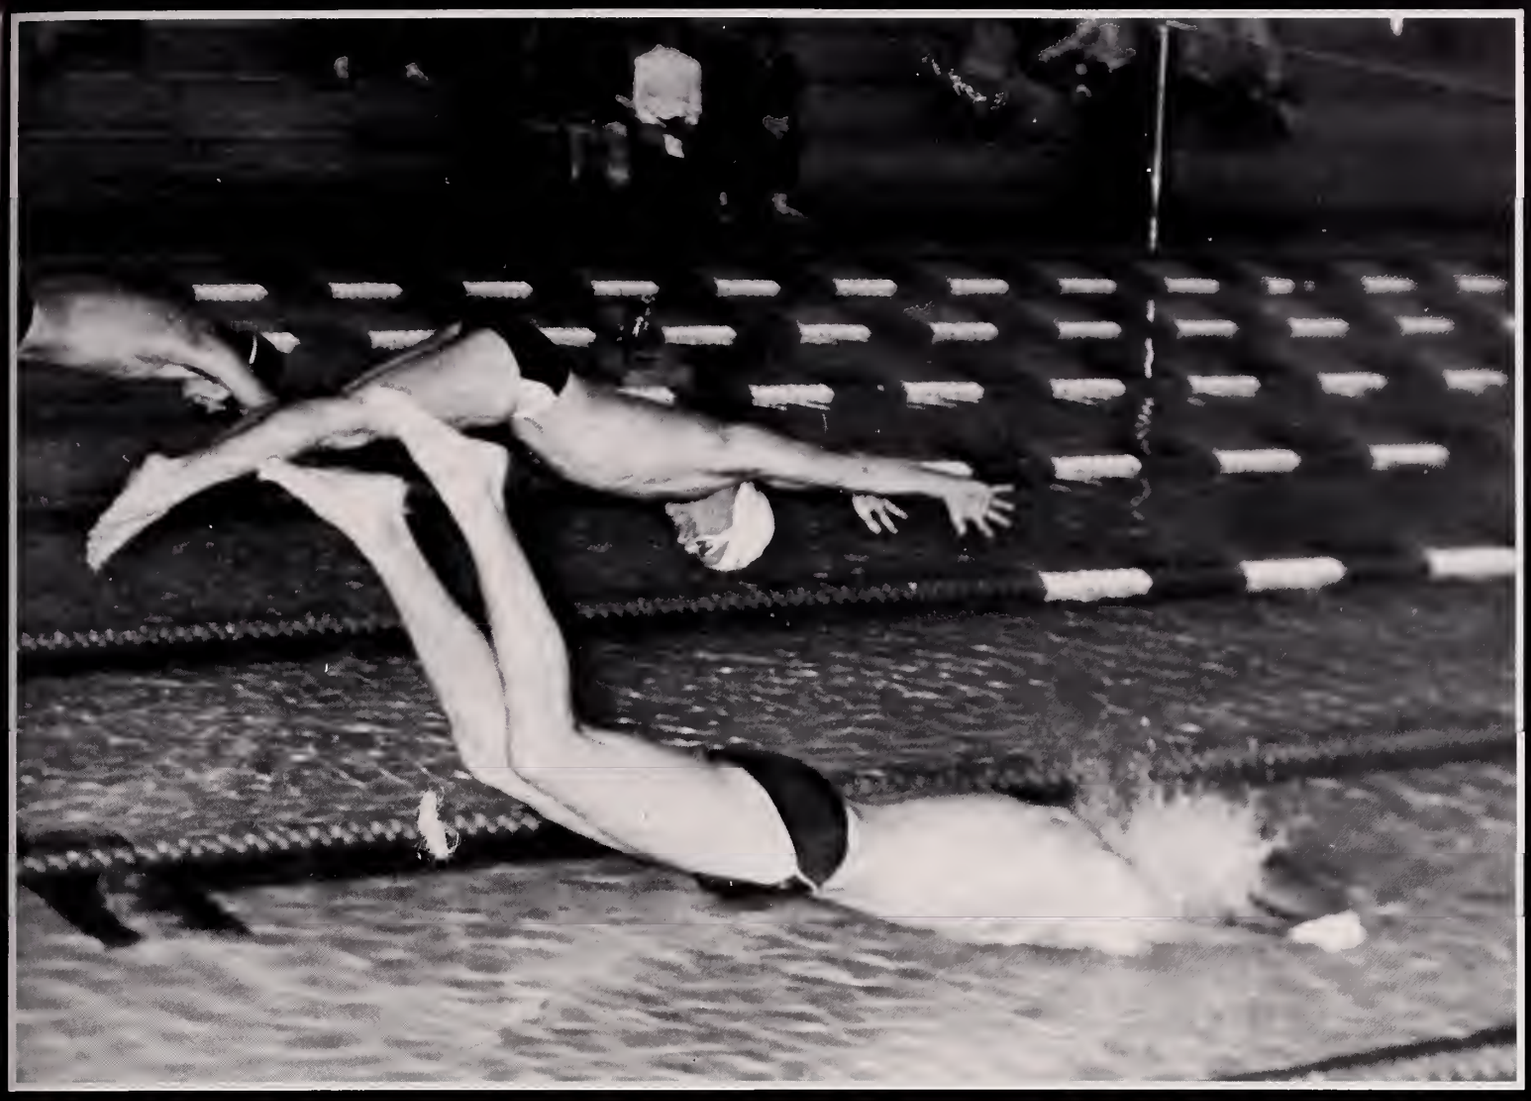
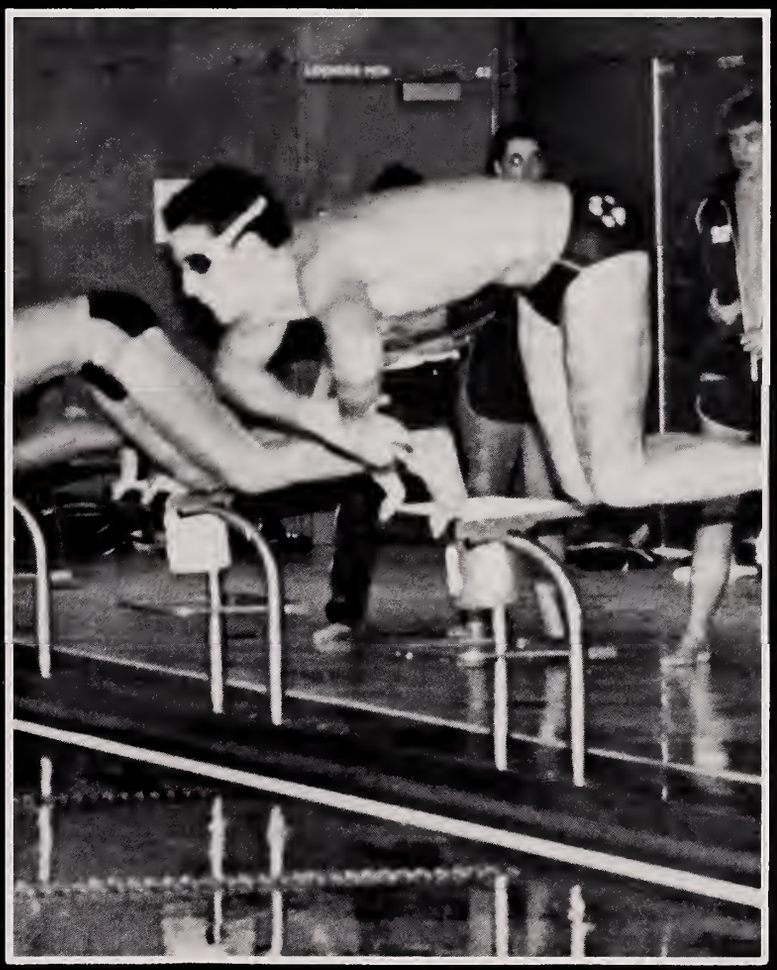
The men's swimming team opened their inaugural season with a small bang winning their first meet against UMASS-Boston and tying Brandeis. Though the following meets were less successful, the team lacked only in the depth necessary to compete well against their foes. Leading the way in the Bobcat's first varsity season were Jeff Jeter, Jim Jacobson, Jay O'Hair, Eric Lindquist, and Rich Barnard.





Women's Swimming

One of Bates' two newest teams performed above all expectations and accomplished the rare feat of a winning rookie season (5-4), the first in the history of Bates. Not only did Coach Purgavie's squad defeat such opponents as UMass-Boston, Colby and Regis in dual meets, but the Bobcats also placed a creditable thirteenth in the New England Division B championships at Tarbell Pool, Bates' first major college swim meet.

Senior Joanne Dugan was an exceptional leader as captain, as well as excellent swimmer for the team. Other individual standouts were swimmers Patti Slovenski, Rachel Nevitt, Marcia Daugan, Katie Murphy and Jennifer Rybeck, and divers Chris Mangiafico, Sally Slavenski, and Julie Wilkinson.

Aside from the superb skills demanstrated by the 1984 Ski Team, these Bates skiers developed close friendships, had lots of fun, and were representative of true Scholar-Athletes.

During the seoson many students were recagnized for their excellent skiing and leadership abilities. Dan MacDanald placed 31st in the NCAA Crass Cauntry Champianship, while Ann Benoit secured the 27th, position for the wamen. Manica Samalis "Max", a freshmon, ended the season in 12th place at the NCAA Champianship Giant Slalam, the best finish by any Bates athlete. After a disappointing 1983 season, the 1984 baseball team came back strong with an impressive 17-5 record which qualified them as 5th seed in the ECAC tournament. New team records were set by Steve Mrowka in stolen bases (23) and by Andy Carmen in runs batted in (36). With 9 home runs Carmen also led the team to a new team home run record.

Seniors Jim Sylvia, Steve Whetstone and John Gregorio finished their careers on a high note this spring. Co-captain Sylvia, at second base, batted .327, had 16 stolen bases, and improved his career walk record with a team high of 27 walks. As pitcher, righthander Whetstone pitched 39 innings in 11 games, had 26 strikeouts and finished with a 4-2 record. First baseman John Gregorio as the other co-captain led the team with his .413 batting average and in putouts (150).

In the ECAC Tournament, Bates topped first-round opponent Suffolk with a 16-9 victory, but lost in the semifinal round against top-seeded Amherst. Yet the "Beta Hitta Homa" team finished well and with many returning players, fans can expect an equally exciting season next year.

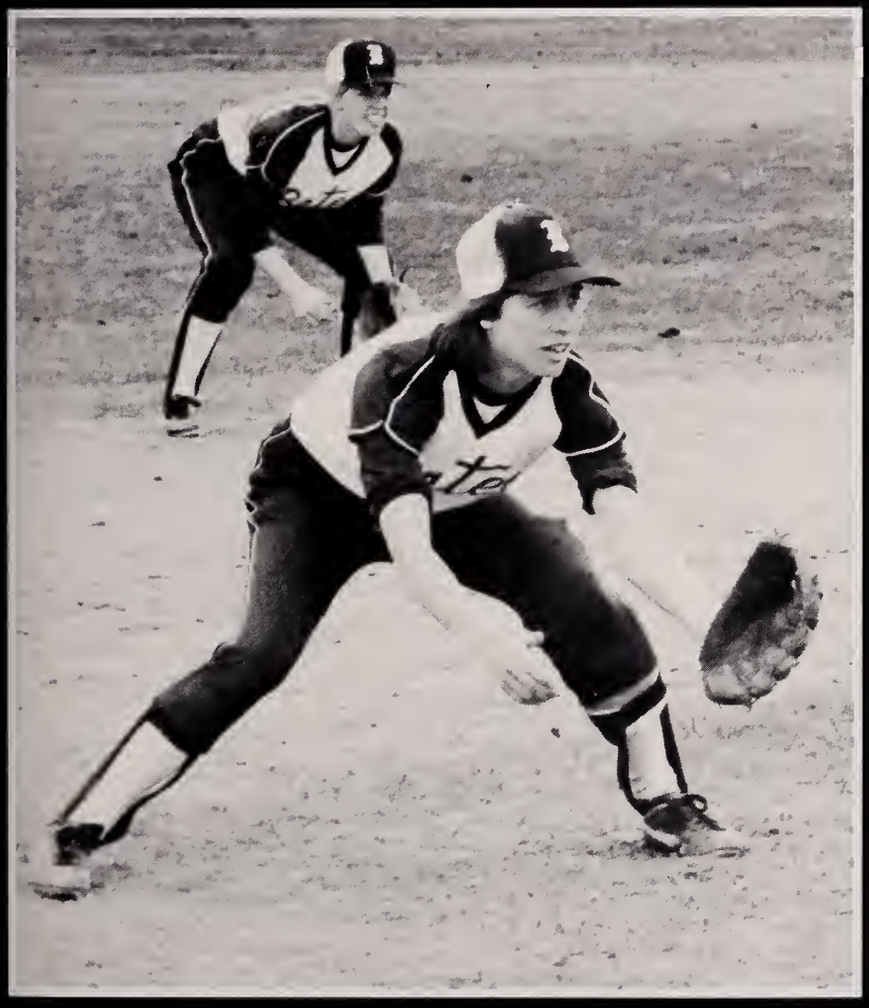
Senior Karen Palermo led the Bobcats in individuol accomplishments. She qualifed for the Nation Championships with a 37:35 clacking in the ten thousond meters, and she placed third in the 5000 meters in the Easterns.

Additional strength was braught ta the distance team by Kathy Kraemer, Nancy Bell, Sue Flynn, Rebecca Janes, Camille McKoy, Jen Prott, Meredith Martin, and Liz Hamans, all who placed well in the Easterns, New Englands, or NESCAC in their respective events.

Softball



The 1984 seasan was a taugh ane far the Bates saftball team wha finished with a disappainting recard. They were plagued by a lack af timely hitting, bad weather and errars. Nevertheless, the players believe that the recard daes nat shaw the talent that the team had.

Ca-captain Cherry Bennett led the team in runs (12) and assists (37) at shartstap, while ca-captain Sandy Beal led the pitching statistics in games pitched (8), innings pitched (49⅔), strikeauts (11), and games won (2). At third base, Carla Fitzgerald hit .341, had a slugging average af .432 and was named All MAIAW. Rightfielder Lynda Chabot was alsa named All MAIAW.

Other strang players of the seasan were Jaanne Stevens an first base, wha had an incredible year at the plate as well as in the field, pitcher Jen Gaadwin wha led the team with a 2.1 ERA, and catcher Leanne Belmant wha slugged a hefty .531. Seniars leaving the ranks are Beal, Bennett, Lau Biscae and Fitzgerald.

Women's Lacrosse

Women's lacrosse had a great comeback after an early season 1-5 slump. Instead of getting discouraged after their poor start the team turned the season around with 4 wins in their last 5 games. The about-face started with a 5-4 win over Colby, and a change in strategy. The successful strategy employed by Coach Pat Smith was a zone defense rather than man-to-man.

Captain Meg Flaherty was a solid leader for the team. The defense was managed by strong players such as Kate Sweeney in goal, and defense wings Sue Halliday and Karen Weller. Players such as Laura Hackett, Becky Roak, Stephanie Smith and Amy McCutcheon headed the offenses attack. The Bobcats participated in the ECAC Division III Tournament after the regular season.

MacDonald, Caach W. Harrison.

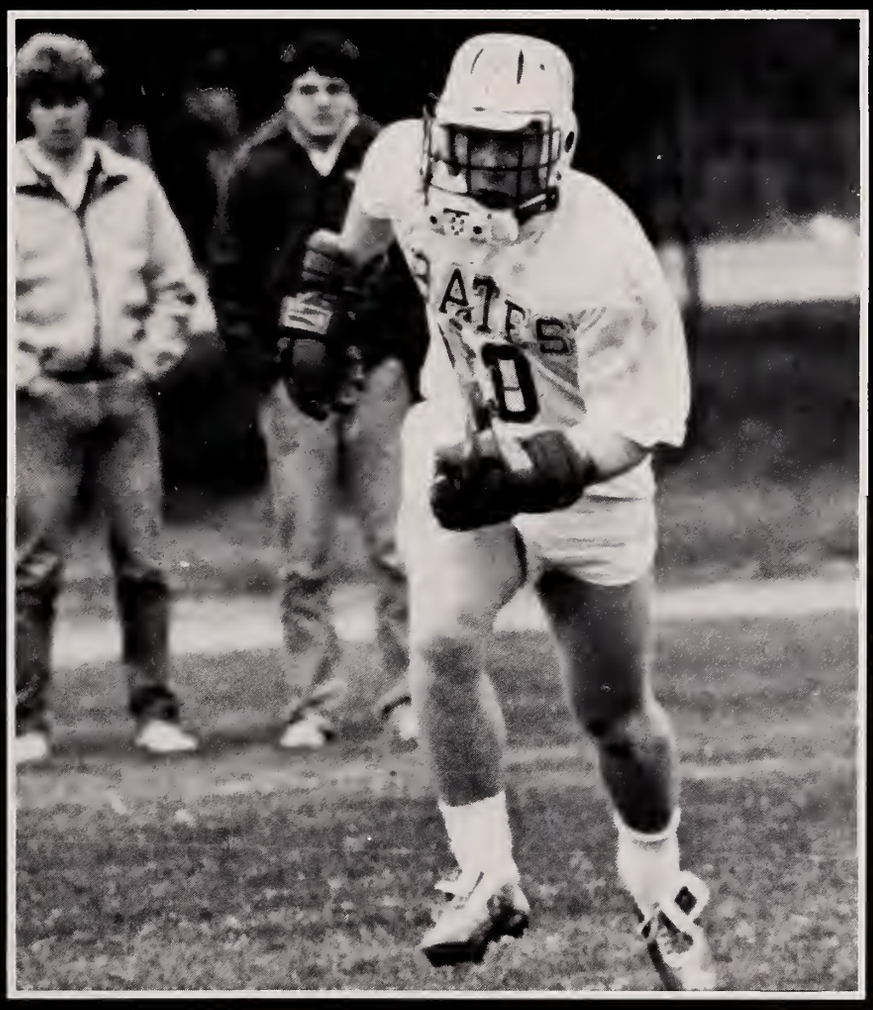
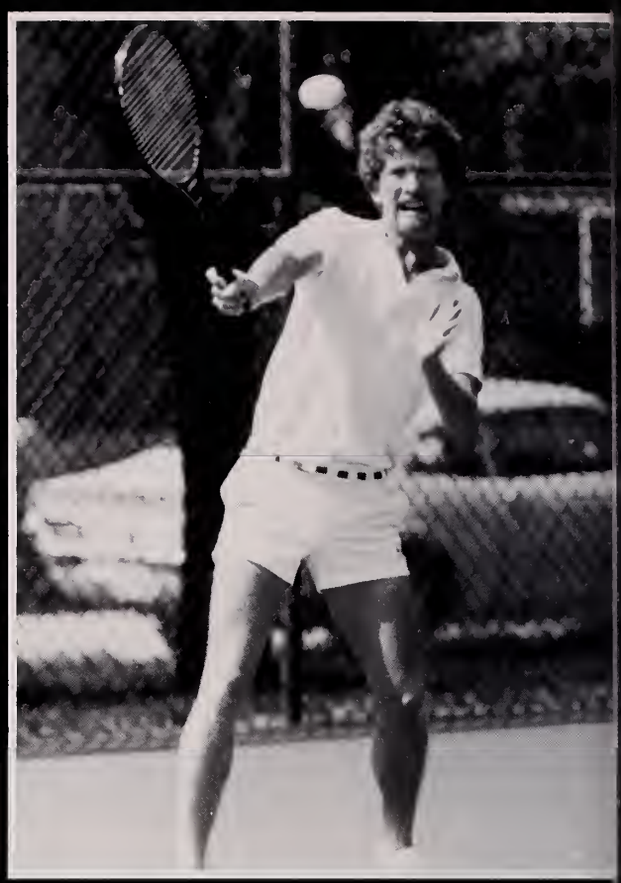
The Bobcats finished with a record-breaking best season of 11-1 in 1984. They remained undefeated throughout the regular season and mounted their only loss against a strong Bowdoin during the semifinals of the ECAC Division III playoffs.

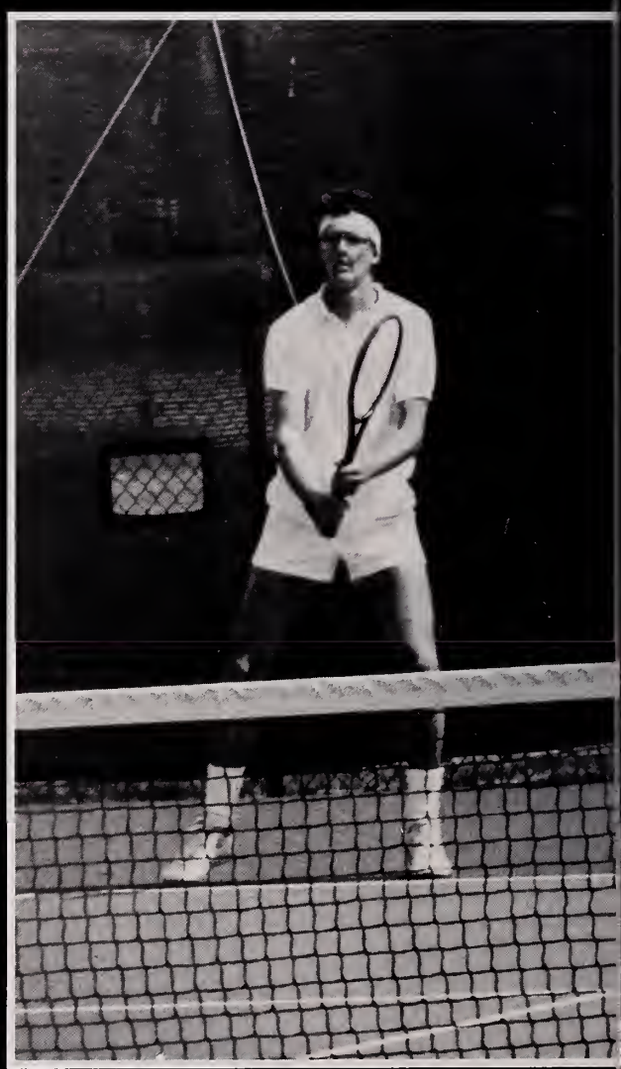
The formidable defense which led the team was made up by Joe Mirra, Dave Hild, captain Bill Bell and Mark Thorburn in goal. They were flanked by Chris White, Bill Driscoll and Dave DeSantis who provided strong defense. The first line of the powerful midfield was made up of John Boyle, Bob Best and Dean Lindner. Charlie Adams teamed with Mike O'Connell, Dave Eberhart and Brett Johnson to make up the second line with freshman Hank Bauer filling in.

The powerful offensive attack was led by standout Peter Grant who led the team in scoring. He was teamed with Jay Farwell and Danny Bliss. The success of the powerful Bobcats has been attributed to their team unity. Their pre-season trip to Bermuda seems to have helped form the cohesive group. Yet strong individual efforts were also key to the great season.



Men's Tennis





J. Martel, G. Tatlack, J. Lyrink, E. Otis, B. Cole, S. Haffman, G. Fish, Coach G. Wigran.

The Bobcats had a superb start this season with consecutive shut-out victories over Solem State, Central Connecticut, Southern Connecticut and UMO. Bates won its next two matches but then had less success with 5 of the final 6 matches due to a rash of injuries. They still finished with a winning season of 7-5.

Despite the disappointing finale, Bates' top doubles team of Bert Cole and John Luyrink qualified for the NCAA Division III championships at Emory University in Atlanta. They lost in the first round, but were excited to make the championships.

Finishing their exceptional Bates tennis careers are seniors Cole and Peter Dohlman. Returning next year are experienced players Greg Fish, Scott Hoffman, Luyrink, Jim Martel, Greg Otis and Gerry Tatlack.

The CBB Tournament praduced another strong teom performance highlighted by sophomore Steve Sughrue copturing the individual title. With strong performances by Sughrue, captain Don Eriksan, freshman Shawn Hester, Jahn Kirker, and Mork Flemming, the team managed ta finish a respectoble fifth in the NESCAC Championships.
